Who we are

History

The Fort Wayne Alumnae Chapter was installed on April 15, 1972.

Today

The Fort Wayne Alumnae Chapter is part of the Beta B Province, Region 5.

As SAIs, we encourage, nurture, and support the art of music in our local schools and community. We work closely with the local music organizations to strive for music throughout Fort Wayne. We do this by giving out scholarships, monetary donations and having performances in the community.

Our chapter meets on the second Monday every month between September and May at 7 PM, and in various locations, and members are encouraged to attend meetings.

What we do

Our chapter upholds the ideals of SAI. We carry out local service projects in the music community, participate in joint ventures with the local collegiate chapter, and support the charitable arm of the Fraternity, SAI Philanthropies, Inc.

Membership in the Fort Wayne Alumnae Chapter provides many opportunities including leadership, performance possibilities, working on projects, and professional networking.

Lifelong friendships become stronger through the shared bond of our cherished sisterhood.

How can I affiliate?

In order to affiliate with our chapter, you must be in good standing and a current member of the SAI Alumnae Association.

Please visit our chapter website www.saifortwayne.wix.com/saifortwayne or email President, Melanie Kellogg at: melaniekellogg24@gmail.com more information.
